Note: Layout sheet 15 and cross section sheets 104 to 117 of 117 are included as a part of these plans to show a source of material for use as borrow and/or sub-base of gravel provided that the material meets the requirements for borrow, item 11 and/or sub-base of gravel, item 19C. If material is taken from this source, contractor will be required to stay within neat lines of excavation as shown on cross sections and layouts.
