The left map is a detailed map of New Hampshire showing the proposed White Mountain Corridor. The corridor is highlighted in yellow and red, running from the White Mountain area in the north, through the Merrimack Valley, and down to the Portsmouth area. Major roads and towns are labeled, including White Mountain, North Conway, Gorham, and Portsmouth. The corridor is shown as a series of connected segments, with some segments highlighted in yellow and others in red. The map also shows the location of the proposed corridor relative to the state border with Maine and the Canadian border.

The right map is a detailed map of New Hampshire showing the proposed Portsmouth Corridor. The corridor is highlighted in yellow and red, running from the Portsmouth area in the north, through the Merrimack Valley, and down to the White Mountain area. Major roads and towns are labeled, including Portsmouth, Manchester, and White Mountain. The corridor is shown as a series of connected segments, with some segments highlighted in yellow and others in red. The map also shows the location of the proposed corridor relative to the state border with Maine and the Canadian border.
