A photograph of a wooden bobsled run. The run consists of several parallel wooden runners laid over a bed of wooden slats. The runners are made of light-colored wood and appear to be newly installed. The slats are made of darker, weathered wood. The run is bordered by wooden railings on both sides. In the background, there is a paved road and some trees with autumn foliage. The text "NEW RUNNERS" is overlaid in yellow at the bottom left, and "10/04" is overlaid in yellow at the bottom right.
