

A photograph taken from a low angle looking up at the underside of a bridge. The bridge's steel truss structure is visible, with several beams and girders. A yellow rectangular sign with black text is mounted on the right side of the bridge. The sign reads "DANGER" in large letters, followed by "LOW CLEARANCE" in smaller letters. To the right of "DANGER", the letters "11 F" are partially visible. The background shows green trees and a clear sky.

DANGER 11 F
LOW CLEARANCE
