08/26/2020

A photograph of a dense vine with green leaves and small dark grapes. The vine is covered in large, green, lobed leaves with serrated edges. Small, dark, round grapes are visible hanging from the stems. The background is a dark, dense forest. A date stamp '08/26/2020' is located in the bottom right corner of the image.

08/26/2020

A photograph showing a concrete bridge or overpass structure. A thick, light-colored rope hangs vertically from a central point on the bridge's edge. The bridge is made of weathered concrete with visible joints. Lush green trees and foliage are visible in the foreground and background, partially obscuring the bridge. The sky is bright blue with some white clouds. A date stamp is visible in the lower right corner.
