

This is a detailed topographic map of a mountainous region, likely in the Himalayas, showing contour lines, rivers, and settlements. The map is oriented vertically with East at the top. It includes a grid with Easting coordinates (E 622,000 to E 626,000) and Northing coordinates (N 715,000 to N 722,000). Key features include the 'MACHU TO SHEET II' and 'MACHU TO SHEET III' labels, a river labeled 'MACHU RIVER', and a settlement labeled 'MACHU'. The map is a technical drawing with brown contour lines and black text and lines.

MATCH TO SHEET IV
