

"SOUTH VIEW"
The most exciting thing about a visit or a vacation in Vermont is the thrill of discovery, from moment to moment, at every bend of every highway and byway.

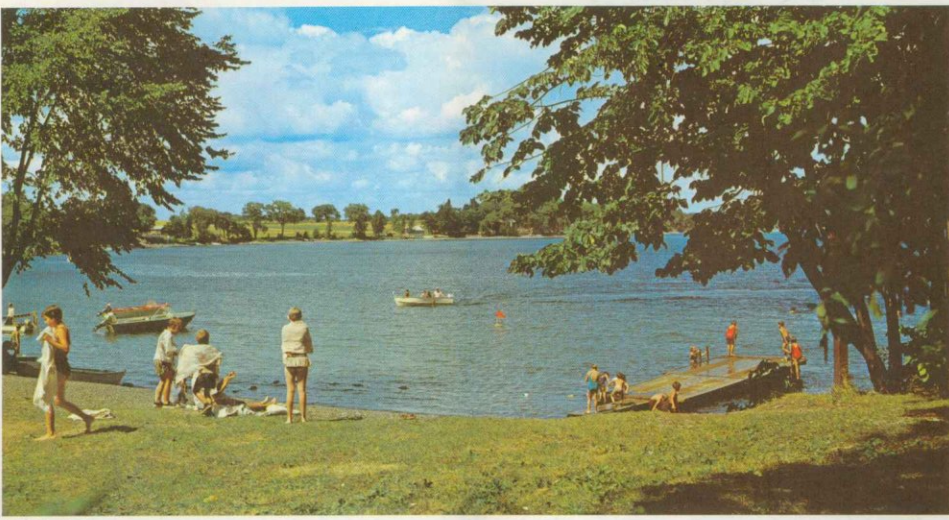

Vermont beckons to visitors for many of the same reasons that it does to people who come here to live. The state's breathtaking natural beauty, easy-going atmosphere, the congeniality of its people and the limitless opportunities for recreation and relaxation appeal equally to vacationer and Vermonter alike.

Here is a land of majestic mountain ranges and deep river valleys, quiet lakes and rushing mountain streams. Here is a land rich in contrast, where the new and the old, the modern and the traditional can be found side by side in a comfortable blending that appeals to people of all ages.

Another wonderful thing about Vermont is that it's so accessible. Modern highway systems have brought her borders within easy reach of anyone traveling by car. Once here, the State highway system, including such four-lane arteries as Interstates 89 and 91, moves traffic effortlessly from one end of the State to the other.

STATE PARKS AND FORESTS

Vermont has 32 State Forests totaling 87,343 acres, and 34 State Parks totaling 12,087 acres. Recreational facilities in these forests and parks are administered by the Division of Parks. Some of the largest and most frequently used recreation areas are in the State Forests in contrast to other states where the majority of the outdoor recreation areas are in State Parks. Altogether Vermont has 36 State Campgrounds with approximately 1900 individual sites. There are 13 major State Beaches with public bathhouses. In the State Forests approximately 4,000 acres are devoted primarily to skiing and are leased to private operators. The annual visitation is approximately 400,000 camper days, 575,000 skier days and 450,000 swimming and picnicking visits. All forests and parks except game refuges, and where close to human concentrations, are open to hunting.

Fees (Tent site with or without platform). \$3 per night minimum; \$1.50 per night per person. Lean-to, \$4 per night minimum; \$2 per night per adult.

At both lean-tos and tentsites there is no charge for youths under 18 in a family group. Scouts and similar youth groups are charged the minimum fee, or when more than 5 are in the party, 60¢ each for a tentsite, or 80¢ for a lean-to.

Summer Day Use: At all developed recreation areas in State Parks and Forests the fee is 25¢ per person 14 years of age or older. Bathhouse fee is 10¢ per person and includes locker or basket. Season passes for day use areas are available, \$5 per person.

Winter Skiing: Ski lifts are operated by private interests so fees vary from area to area. In some areas there is a 25¢ per car parking fee; in other areas the parking fee is included in the lift ticket cost.
