Vermont – its renowned scenery, historic sites, outdoor recreation, natural resources and quality products. A more intimate exploration of the Vermont countryside can be enjoyed along more than 11,297 miles of Town Highways, most of which are kept in good traveling condition throughout the year. Local inquiry about conditions on less-traveled roads is recommended, especially during the winter and early spring. Vermont's 14,001 miles of public highways include:

2,384 miles of State Highways
11,297 miles of Town Highways
